REQUEST FOR EXTENSION TO REPORT BACK ON THE DEVELOPMENT OF A FACILITY LOCATION POLICY

On September 7, 2010, your Board directed this office to study the Facility Location Policies of the State of California, Federal government, and City of Los Angeles and, based upon the analyses, develop revisions to the County's Facility Location Policy for consideration by your Board.

In response to your direction, we are working with deputies from each of your offices to broaden and refine the criteria to be considered under the revised Policy. We anticipate that discussions with your deputies and our analysis will be completed by the end of May 2011. We plan to return to your Board with final Policy recommendations by June 30, 2011.

Should you have any questions in the interim, your staff may contact Jan Takata at (213) 974-1360.
